

PRICES LIST - GUIDED CAVE DIVES -

We provide high-quality cave guiding services to certified cave divers in a relaxed yet professional environment.

Since 2005, we've logged thousands of cave dives, including advanced cave diving and exploration in the area. We're excited to share our extensive knowledge of local caves and cave diving experiences with our guests from around the world.

Join us for both classic and off-the-beaten-path dive sites, perfect for our more adventurous visitors! Our passion for cave diving drives us to ensure every dive is enjoyable and, most importantly, safe.

We cater to all levels of cave divers, offering guiding services that range from introductory to multi-stage decompression dives, with all open-circuit configurations.
