

PRICES LIST - CENOTE TOURS -

Embark on an unforgettable adventure through the breathtaking cenotes of the Mayan Underworld. Our top-quality cavern tours are designed for recreational divers seeking a unique, awe-inspiring experience in a relaxed yet professional setting.

At CDT Mexico, our expert team of cave divers and instructors has been exploring these hidden gems since 2005. We're passionate about sharing the beauty, history, and thrill of cavern diving with guests from around the world.

Swim through crystal-clear waters, illuminated by natural light filtering through the jungle above, as you navigate ancient rock formations and surreal underwater landscapes—all within safe, recreational limits.

Every tour is tailored to your experience level, schedule, and sense of adventure, ensuring a truly personalized and seamless dive into one of the world's most extraordinary underwater environments.
